

SPECIAL PRAYER NOTE

Saturday, May 16, 2015

Please pray for us on Monday and Wednesday (5/18 & 5/20), as we interview new students for our annual English camp, which is held in the Carpathian Mountains!

Camp interviews are next week!

This is now our 8th year of throwing a small net into the sea of **100,000+ university students in L'viv**, praying for God to bring in exactly those He wants to **fill the 40 places** in our Leopold Green English Camp, July 5-11, 2015.

Over the last 2 weeks, our planning team has been busy advertising. It was a lot of fun to be on university campuses with our **Ukrainian student leaders** and see them share with other students how the camp was beneficial to them!

Please pray for students' class and personal schedules to be clear so they can attend one of the interview days. Pray for

many students to have a strong desire to come, for change in their lives, and for the Spirit to already be planting seeds in their hearts. **Please ask the Lord to do what He only can** - to make students ready to **respond to the Gospel**, and to plug them into our **student ministry** and **church** following the camp!

At the camp, students **study English** with native English speakers from the US (with a heavy emphasis on speaking), **study and discuss the Bible**, learn new **crafts and skills**, participate in **sports** and group/ team building **games**, sing new songs, and learn the **basic message of the Gospel**.

These camps also are where many new relationships begin, which we pray will only flourish and grow upon returning to the city.

Camp interviews begin **MONDAY** and continue on **WEDNESDAY**. **Interviews on both evenings begin at 18.00 (11.00 EST)**.

Please ask the Lord for **good weather** for the interviews, and for **100 students** to attend these two interview nights! Pray specifically for a **large number of young men**, and for **wisdom** in deciding which students to invite to the camp. We will keep you posted! Thank you for praying!
